including Voluntary Pull Protection

Applicant's Warranty Statement

At the time of signing this application, I am not aware of any current or prior emission, discharge or release of fuel oil from my fuel oil system. I understand that knowingly providing false or inaccurate information will be cause for disqualification and/or termination from the ProGuard Program. I understand that there is no protection afforded under the terms of the program for Voluntarily Pulling, Removing or Abandonment of a tank within the first 12 months, as per the terms of the Service Agreement. I understand that there is no protection afforded under the terms of the program for conversion to an alternate heat source. I have read the Service Agreement and agree to the terms and conditions described therein.

RESIDENTIAL OIL TANK PROTECTION

888-354-0677

www.powderhornagency.com

Protect yourself against costly leaks for as low as **\$89.95** for aboveground tanks!

We've all read stories about a tank problem that costs tens of thousands of dollars to clean up. There's no denying it ... Accidents DO happen!

Believe it or not, one of the most common causes of residential oil spills is a clipped or ruptured fuel line.

As a homeowner, there is something you can do to protect your home while also safeguarding your finances.

The ProGuard Service Agreement protects your oil tank in the event of an accidental release. It gives you the peace of mind you deserve and assures that any problems are handled in an environmentally-friendly manner.

Can you afford NOT to protect your home and your family?

Program Highlights

- ✓ Up to **\$100,000** of clean-up protection in the event of an accidental release from an underground fuel oil tank.
- ✓ Up to **\$50,000** of clean-up protection in the event of an accidental release from an aboveground fuel oil tank.
- ✓ Up to **\$1,500** Tank Replacement Limit.
- ✓ **Pro-Active Tank Replacement** for aboveground oil tanks when recommended. That's right - we will pay to repair or replace your aboveground oil tank BEFORE a release occurs.
- ✓ Protects both the tank **AND** the lines.
- ✓ Transferable to an eligible new homeowner.
- ✓ Voluntary tank removal protection optional for underground oil tanks.
- ✓ Underground tanks must be tested within the past 12 months in order to apply.
- ✓ See terms and conditions for information on applicable service fees and deductibles.
